

Distinguished Alumni (M. Tech in Control systems/ Power systems) – Electrical Engineering Department, VJTI

1. Dr Arun Mahindrakar (M. Tech in Control Systems 1997), currently working as Professor, Electrical Engineering Department, IIT Chennai
2. Dr Ramakrishna Pasumarthi (M. Tech in Control Systems 2001), currently working as Professor, Electrical Engineering Department, IIT Chennai
3. Dr Sumeet Satpute (M. Tech in Control Systems 2010), currently working as Assistant Professor in Robotics & AI at Luleå University of Technology, Sweden.
4. Dr Rucha Sawlekar (M. Tech in Control Systems 2012), currently working as Postdoctoral Researcher at Luleå University of Technology, Sweden.
5. Dr Prashant Bansode (PhD) currently working as Employee in Customized Energy Solutions, India MD, India Energy Storage Alliance VP Global Consulting, Pune
6. Vinayak Walimbe (M. Tech in Control Systems 2000) currently working as Managing Director - Customized Energy Solutions, India MD - India Energy Storage Alliance VP Global Consulting, Pune.
7. Shikha Sharma (M. Tech in Power Systems 2013), currently working as Scientist II at Hitachi Energy, Santa Clara, California, United States
8. Amol Yerudkar (M. Tech in Control Systems 2010), currently working as Professor at the Zhejiang Normal University, China
9. Mohit Mishra (M. Tech in Control Systems) currently working as Assistant Lead Control Engineer at Vestas, Portugal
10. Dr Vrushabh Donge (M. Tech in Power system 2018), currently working as Postdoctoral Research Associate, United States
11. Dr Sonam Kharade (M. Tech in Control Systems 2017; PhD 2022), currently working as Postdoc at Argonne National Laboratory, USA
12. Nikhil Pagar (M. Tech in Control Systems 2017), currently working as Graduate Research Assistant at Clemson University, USA
13. Vipul Ganeshrao Pagrut (M. Tech in Control Systems 2015), currently working as Sr Analyst- Customized energy solutions, Pune
14. Bhagyashree Umathe (M. Tech 2019), currently pursuing PhD, USA
15. Dr Joseph Moyalan (M. Tech 2017), currently working as Postdoctoral researcher at University of California, United States.
16. Mayur. S (M. Tech in Control Systems 2019), currently pursuing PhD at Western University.
17. Dr Priyanka Dey (M. Tech in Control System 2015) currently working as Research Staff at Institute of Science, Tokyo.
18. Dr Shruti Kotpalliwar (M. Tech Control System 2015) currently working as Postdoctoral Researcher in Luleå, Norrbotten County, Sweden.
19. Dr Venkatesh Chinde (M. Tech Control Systems, 2011), currently working as Research Engineer at NREL Golden, Colorado, United States
20. Dr Shivraj Mohite (M. Tech in Control Systems 2020) currently working as RA at the Chair of Control Systems, Department of Electrical and Computer Engineering, RPTU, Kaiserslautern, Germany.

21. Pranao Walekar (M. Tech in Control System, 2015) currently working as Employee in India Energy Storage Alliance VP Global Consulting - Customized Energy Solutions, Pune.
22. Dr Ajit Bhand (M. Tech in Control System 2000) currently working as Assistant Professor at Indian Institute of Science Education and Research IISER, Bhopal
23. Girish Jawale (M. Tech in Power System 1999) currently working as Head of Tech Services at Tata Power, Mumbai.
24. James Fernandes (M. Tech in Power System 2000) currently working as General Manager Fuel Sourcing at UltraTech Cement, Mumbai.
